The International Media Festival for Prevention is an integral part of the XXII World Congress on Safety and Health at Work 2020. The Media Festival offers an overview of films and multimedia productions about safety and health at work from all over the world and provides an opportunity for participants to present their products to a major group of influential international safety and health professionals.

**Eligibility Criteria**
We welcome all media on safety and health at work produced from January 2016: films, documentary, animation, short films and TV spots, websites, apps, e-learning tools and social media.

**Submission**
There is no limit to the number of entries you may submit or the length of your productions. All entries must be submitted using the entry form online under: www.mediainprevention.org

**Closing Date**
The closing date is 29 February 2020.

**Languages**
The official languages of the World Congress are English, French, Spanish and German. Please use one of the official languages in completing your entry.

**Awards**
Your submission can be nominated for a prize. An International Jury will come together in Toronto to determine the winners of the Media Festival. The prizes will be awarded in the presence of a large audience in the Special Media Session at the XXII World Congress on Safety and Health 2020 in Toronto, Canada.

**Cinema**
All nominated and winning productions will be presented to an international audience in the Festival Cinema programme running throughout the Congress.

**The Organizers**
The Festival is organized by the International ISSA Sections “Electricity” and “Information”. We cordially invite you to participate in our Festival!
